***What is Credit Union Partners for Advocacy?***

Credit Union Partners for Advocacy is a united front in the fight to preserve and grow the credit union movement. Credit Union Partners for Advocacy enables small credit unions to join large credit unions at the [Government Affairs Conference \(GAC\)](#) taking place Feb 25 – Mar 1, 2018.

What is GAC? GAC is a four and a half-day event in Washington, D.C. which includes an optional small credit union roundtable, educational break-out sessions and several notable speakers, followed by Capitol Hill visits at the conclusion of the conference.

Why should I participate in Credit Union Partners for Advocacy? Because you are a California or Nevada credit union leader, conscious of the “special responsibility” to spread the word about credit unions among members of the US Congress! Join the hundreds of California and Nevada credit union leaders that contribute to the 4,000+ credit union leaders that gather in Washington, D.C. for GAC!
