

Disaster Relief Grant Guidelines

Guidelines

In times of disasters, concern for our credit unions and the communities they serve is a top priority for the California and Nevada Credit Union Leagues (the Leagues). To help with needs of credit unions and credit union staff in times of disaster, the Leagues, partnering with the National Credit Union Foundation's CUAid, provide grant assistance to credit unions, employees, and volunteers that have been impacted. Grants are available to fund emergency needs, as well as other disaster-related needs. These needs include, but are not limited to the following items:

- ✓ Credit union employees and volunteers can receive assistance for items for daily living such as, but not limited to food, water, ice, batteries, clothing, diapers, temporary shelter, housing, gas and transportation.

Emergency Disaster Relief Grants

The grant award limit is up to \$1,500 per credit union employee or volunteer to help with immediate disaster relief needs. Grant amounts will be determined on a case by case basis. These guidelines are subject to modification at any time and are contingent upon the availability of funds. Based on loss and out-of-pocket expenses, general guidelines for award levels:

- ✓ Evacuated from home - up to \$500
- ✓ Damaged home, loss of food/clothing – up to \$1,000
- ✓ Full loss of home – up to \$1,500
